DeLong Killed in Viet Nam

Army Pfc. Ronald L. DeLong, 22, of Collegedale, has been killed in action in Vietnam, the Defense Department announced.

The date, time or place of his death was not reported. Pfc. DeLong was a medic with the 4th Infantry Division and was stationed near Pleiku, in the Central Highlands of Vietnam.

He was the son of Mr. and Mrs. Arthur Lawrence DeLong of Oakland, Md., and had been a student at SMC for some two years until he entered the military service six months ago.

His wife Linda has also been a student at SMC.

Ronald was a member of the Apison Seventh-day Adventist Church.

In addition to his school work while at SMC, Ronald was also a self-employed plumber.

His funeral will be conducted in Oakland, Md.

He is survived by his parents and two sisters. Mr. and Mrs. Vernon DeLong, '63, of Cleveland, Tenn., are his uncle and aunt.

The following editorial from the Chattanooga News-Free Press of Nov. 11, 1969, seemed worthy of being

quoted in its entirety: "Pfc. Ronald L. DeLong was a medic. His duty was to render aid and comfort to men in need. He was a part of an American force sent to distant Vietnam to save a people and their land from vicious Communist conquest.

"In an attack by Communist forces on an airfield, Pfc. DeLong has lost his life.

"While most of us pursue our 'business as usual,' Pfc. DeLong was engaged in an important business that was not usual. He was face to face with the reality of Communist aggression that plans to envelop us all.

"No one could give more than he has given. He asked nothing special. He simply went when duty called. And he has died at enemy hands.

"We feel deep sympathy for his family and thanksgiving for men like him who will face danger when their country calls. What a contrast between what Pfc. DeLong has been willing to give for us all and what many irresponsibles demand without giving.

"What can each of us do to be worthy, and to be sure our country is worthy of what Pfc. DeLong and others have done for us?"

Work Resumes On SMC Library As Supplies Come

Work on the new library at SMC was delayed recently while the construction crew, under the direction of Francis Costerisan, plant manager, waited for materials.

Of major concern was the concrete trim for the windows and the concrete cap for the roof line. These materials have arrived, and construction has resumed, according to Costerisan.

For just a bit of history, the new bank is not the first one in this section of Hamilton County. Ooltewah had a bank that was established in 1907 by T. H. Stokes, with Dr. O. G. Hughes as president. Hunter Furches, the father of Lorene Furches Fox, '25, served for many years as cashier. The bank operated until the depression in the early 1930's.
